

A foreword from:

SAVTE (Sheffield Association for the Voluntary Teaching of English)

Every term SAVTE update the ESOL Directory for Sheffield. Here you can find classes and conversation groups listed by both level and post code area.

Please make contact directly with one of the organisations to find out more about their classes.

If you would like your organisation to be included in this directory, or to receive it electronically every term, please contact Maymona SAVTE on 0114 2536644 or email her at savte@savte.org.uk

It is also available on the SAVTE website: www.savte.org.uk, where you can find out more about SAVTE and apply to volunteer as an ESOL tutor or make a referral for a learner.

We all look forward to working with you

What is ESOL and what do the different levels mean?

ESOL – English language learning for Speakers of Other Languages

- There are 5 different levels of ESOL from beginner to intermediate:
- **Pre- Entry:** for beginners.
- **Entry 1 (E1)/ Entry 2 (E2)/ and Entry 3 (E3):** These levels are for learners with little prior knowledge of English, the level is basic and learners are not yet independent with their language
- **Level 1:** This is an intermediate level, where learners are independent in their language skills.
- **Level 2:** Learners have good knowledge and are independent.

ESOL learners move up from level to level covering language skills in the areas of reading, writing, speaking and listening.

Key to Levels:

- The directory is organised by area and colour coded with the various levels. However, if you have received this directory in excel, then it will be possible to sort and search by level, area or provider.
